DOO WOP DRIVE-IN

HON. JEFFERSON VAN DREW

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 24, 2021

Mr. VAN DREW. Madam Speaker, I am here today to speak about the nostalgic Doo Wop Drive-In and its founder, Jason Kramer. Doo Wop Drive-In is located in Wildwood Crest, South Jersey and was established last year. I had the pleasure of meeting Jason a couple of weeks ago, and his hard work and dedication to his theater should be an inspiration to all. Jason had the idea of owning a drive-in theater since he was a kid. He loves movies and remembers the good times of going to a drive-in with his family. Jason closes off the parking lot for the drive-in and people will bring chairs, blankets, coolers, and anything else that will make their experience special. Doo Wop Drive-In not only allows people to bring their own food and drinks, but the movie is free, and popcorn is also provided. Jason wanted to open a drive-in so it could be enjoyed by his community. He wanted to make the experience very affordable and a fun place for families to bring their children. It is people like Jason who make me proud to be from South Jersey and proud to have the opportunity to represent the South Jersey community. God Bless Jason and his family and God Bless America.
